## Why Store, Everybody

Everybody holds the future Everybody holds the world Do you ever wonder, baby? What this is all about Do you ever question, girl? The things you tend to doubt Well, there's no reply It's better off to die When you're feeling all alone Do you hear the answer baby When you're sitting on the throne Everybody holds the future Everybody holds the world You got a penny in your pocket, baby A penny in your mind You hope someone will stop it, girl You hope to avoid the crime Well, you've never been so lonely, baby You've never been so blue You can't afford the doctor, girl So what you gonna do Do you feel the lonesome anger, baby When you're feeling all alone, yeah! Do you feel the lonesome anger, baby She said, baby, that's something I've always known She said, baby, that's something you ought to know Everybody holds the future Everybody holds the world
