

Wicked Wisdom, Don't Hate Me

(Hook)

Don't hate me
Just because I know your ways
Don't hate me
Just because I know your ways

Verse 1:

Let me tell you why
you mother suckas lie
Breeds of robotic puppets
you like to sell your soul
for bogus idol goals
you mother suckas you know
how you like to act like a hoe
you're a hoe
a hoe

Verse 2:

Gimme a break you making me delirious
I'm going to leave you behind before I tell
all your shit
your enemy mindstate only eats my insides
It's almost like you're deprived from
something in this life

Bridge:

follow me to your enlightenment
give to you all my thoughts
let the enchanted bliss find your way
to your truth's happiness
