Widespread Panic, Big Wooly Mammoth/Tears O

Like a Big Woolly Mammoth You gotta wear that coat Like his big brother Joseph Yeah, walkin' in the desert sand Like a doughboy in the trenches You gotta lay down low Like a Big Woolly Mammoth You gotta wear that coat

You ain't got time to worry 'bout mass extinction Just try and get along with the human beings Big Wooly Mammoth gonna wear that coat In the middle of the summertime

You got a woman in the city
She got a brand new coat
Sometimes I feel like an evolutionary reject
Yeah, livin' in a high-tech world
Like a cool armadillo
You gotta lay down low
Like the Big Woolly Mammoth
You gotta wear that coat

You ain't got time to worry 'bout mass extinction Just try and get along with the human beings Big Wooly Mammoth gonna wear that coat In the middle of the summertime

Another ice age is comin'
You better wear your coat
Somebody throw me a fire
So we can burn this city down
Like a doughboy in the trenches
You gotta lay down low
Like the Big Woolly Mammoth
You gotta wear that coat

Everybody needs some weapons of mass destruction Gonna kill you with a virus or a dose of radiation Like a Big Wooly Mammoth gonna wear that coat In the middle of the summertime
