

# Widespread Panic, Papa Legba

You'll be, hmm-hmm-hmm-hmm, magnet for money  
You'll be, mm-mm-mm-mm, magnet for love  
YJust gettin to feel, hmm, light in your body  
Now I'm gonna say, ohh im gonna say these words:

Rompiendo la monotonía del tiempo  
Rompiendo la monotonía del tiempo

It might hmm-mmm-mm-mm, it might rain money  
It might hm-hi-hi-hi, it might rain fire  
Now I'm gonna call, i'm gonna call on Legba.  
Get yourself a sign, Get your love and desire.

Rompiendo la monotonía del tiempo  
Rompiendo la monotonía del tiempo

Papa Legba,  
Come and open the gate.  
Papa Legba,  
To the city of camps.  
Now, when your children  
Come and ride your horse  
In the night, in the night  
Come on and ride your horse

There is a queen, of six sevens and nines  
Poison in your garden, Bust in your mind  
There is a king, don't let him steal your soul  
Don't let him catch you, don't let him get control.

Rompiendo la monotonía del tiempo  
Rompiendo la monotonía del tiempo

Papa Legba,  
Come ride your horse.  
Papa Legba,  
To the city of camps.  
Now, we're your children  
Come and ride your horse  
In the night, in the night  
Come and ride your horse  
In the night, in the night  
Come and ride your horse  
In the night, in the night  
Come and ride your horse
