

# wigwam, A Rock 'n' Roll Girl Like You

I don't wanna spend my precious time,  
sleeping in this bed alone.  
Cuz I can feel your heat when I close my eyes,  
frying every knucklebone.  
Tonight I'll have my beauty sleep,  
and you're my sweetest deep dream come true.

So c'mon.  
I'm dreaming I'm wide awake, wide awake.  
Yeah c'mon.  
I'm dreaming I'm wide awake  
with a rock n' roll girl like you.

I don't wanna wake up and face the day,  
someone put the world on hold.  
Cuz I don't wanna see you slipping away.  
when the merciless morning comes.  
Honey, I don't wanna miss a thing,  
and I don't care if I'm late for school.

So c'mon.  
I'm dreaming I'm wide awake, wide awake.  
Yeah c'mon.  
I'm dreaming I'm wide awake  
with a rock n' roll girl like you.

I'm coming at you like a dream catcher.  
Ain't gonna lose you now that I've gotcha.  
Hey girl, wont you give me your love.  
You're my favourite chick in my favourite show.

So c'mon.  
I'm dreaming I'm wide awake, wide awake.  
Yeah c'mon.  
I'm dreaming I'm wide awake  
with a rock n' roll girl like you.

I'm dreaming I'm wide awake,  
with a rock n' roll girl like you.  
I'm dreaming I'm wide awake,  
with a rock n' roll girl like you.
