

wigwam, Mine All Mine

There`s no imagination when I`m by your side
Don`t need no transportation
When you take me for a ride
You know I get excited when you put your spell on me
You can lock me up forever and throw away the key

Cuz you`re Mine All Mine
Lighting up my fire
I don`t care about anything as long as you`re around
Cuz you`re Mine All Mine
The one that I desire
You don`t like to waste no time
When we`re getting down

Feels like getting higher
I can`t tell a lie
Like a drug up in my vein you know you make me wanna fly
I don`t believe in preachers
And politicians too
All I ever care about is when I am with you

Cuz you`re Mine All Mine
Lighting up my fire
I don`t care about anything as long as you`re around
Cuz you`re Mine All Mine
The one that I desire
You don`t like to waste no time
When we`re getting down

You know you set me free
So what do you want to see while you`re watching me
Baby don`t you know
I can`t let you go
Again and again
I`m in your command

Chicks:
Cuz you`re Mine All Mine
Lighting up my fire

Glam:
I don`t care about anything
As long as you`re around

Cuz you`re Mine All Mine the one that I desire
You don`t like to waste no time

Glam:
When we`re getting down
Down
Down
Down
