

# Wikid Vixen, Blind

Are you ready !

This place inside my mind, a place I like to hide  
You don't know the chances. What if I should die?!  
A place inside my brain, another kind of pain  
You don't know the chances. I'm so blind!

Another place I find to escape the pain inside  
You don't know the chances. What if I should die?!  
A place inside my brain, another kind of pain  
You don't know the chances. I'm so blind!

Deeper!.. Deeper!.. Deeper inside me!  
To live a life that seems to be a lost reality  
That can never find a way to reach.  
My inner self  
I stand alone!  
How deep can I go in the ground that I lay?  
If I don't find a way to see through the gray that clouds my mind.  
This time I look to see what's between the lines!

I can't see, I can't see, I'm going blind... [x12]

I'm blind [x4]&gt;
