

# Wilburn Brothers, I'll Never Stand In Your Way

If you found someone new who means more than me to you

Then I'll never stand in your way

If you feel we must part don't let pity rule your heart

Darling I'll never stand in your way

I love you much too much to ever lose you but what is to be will be and I'll obey

I'll be blue when you go but I'll never let it show darling I'll never stand in your way

( steel - fiddle )

I love you much too much...
