

Wilburn Brothers, I Wonder Where You Are Tonight

The rain is cold and slowly falling upon my window pane tonight
And though your love was even colder I wonder where you are tonight

Tonight I'm sad my heart is weary wondering if I'm wrong or right
To dream about you though you left me I wonder where you are tonight
The rain is cold and slowly falling...

(guitar)

Your heart was cold you never loved me though you often said you cared
And now you're gone to find another someone who'll know the love I've shared
The rain is cold and slowly falling...
