

# Wilburn Brothers, My Happiness

Evening shadows make me blue when each weary day is through  
How I long to be with you my happiness  
Everyday I reminisce dreaming of your tender kiss  
Always thinking how I miss my happiness  
A million years it seems have gone by since we shared our dreams  
But I'll hold you again there'll be no blue memories then  
Where the skies are grey or blue anyplace on earth will do  
Just as long as I'm with you my happiness  
( guitar - piano )  
Where the skies are grey...
