

Wilco, Outta Mind (Outta Sight)

Well I know we don't talk much
But you're such a good talker
Ooh, whoa

Well I know that we should take a walk
But you're such a fast walker, oh-whoa
Well alright

I know where I'll be tonight, well alright
Outta mind outta sight

Well okay
I know you don't love me
But you'll still be thinking of me, oh-whoa

Well alright
I know you probably hate me
Well that's okay with me
Well alright

I know where I'll be tonight
Well alright
Outta mind outta sight
Outta mind outta sight

You don't see me now
You don't want to anyhow

Well look out
Here I come again
And I'm bringing my friends

I said, look out
Here I come again
And I'm bringing my friends
Okay, alright, okay, alright

I know where I'll be tonight
Well alright

Well outta mind outta sight
Outta mind outta sight
Outta mind outta sight

Well alright
That's quite alright
I know you don't love me
I know you don't love me anymore, alright
I know you
