

# Wilco, The Late Greats

The greatest lost track of all time:  
The Late Greats' "Turpentine"  
You can't hear it on the radio  
You can't hear it anywhere you go

The best band will never get signed  
K-Settes starring Butcher's Blind  
Are so good, you won't ever know  
They never even played a show  
You can't hear 'em on the radio

The greatest singer in rock and roll  
Would have to be Romeo  
His vocal chords are made of gold  
He just looks a little too old

The greatest lost track of all time:  
The Late Greats' "Turpentine"  
I can't hear it on the radio  
I don't hear it anywhere I go

The best song will never get sung  
The best life never leaves your lungs  
So good, you won't ever know  
I never hear it on the radio  
Can't hear it on the radio
