Wilco, Too Far Apart

You came to meet me out on the line
You couldn't believe I was feeling fine
When I really needed you, you were gone;
So long

We were too far apart,
Right from the start
I couldn't be any closer to you now

Is it really punk rock, like the party line?
Do you have to think about that? Can I give you some time?
'Cause when I really needed you, you were gone,
So long

We were too far apart,
Right from the start
I couldn't be any closer to you now

Too far apart,
Right from the start
And I couldn't be any closer to you now
