

Wilco, War On War

It's a war on war
It's a war on war
It's a war on war
It's a war on war
It's a war on war
It's a war on war
It's a war on war
There's a war on

You're gonna lose
You have to lose
You have to learn how to die

Just watching the miles flying by
Just watching the miles flying by
You are not my typewriter
But you could be my demon
Moving forward through the flaming doors

You have to lose
You have to learn how to die
If you want to, want to be alive
Okay

You have to lose
You have to lose
You have to learn how to die
If you want to, want to be alive

You have to die
You have to die
You have to learn how to die
If you want to, want to be alive
Okay
