

Wildhearts, V-Day

Gift given time
Gift given time open to changes in bearing
Press covered lies
Press covered heresy and conjecture as details
Set image plan
Set image plan owing to rank in the scene

Well I'll try
I guess I'll never be affected like a big shot
I'll never get the money that they got
And I'll be smiling much longer
And I'll try to see the one last theory on starlust
I'll dine on water and pie crust
I'll make some sense if it kills me
And I'll be smiling on V-Day

Tight little line
Keep weak and smile you could be part of the dream, boys
Ten second span
Ten second stay rope in and wheel out around you
Forgotten pride
Stuck making a meal out of a smile
And a hairstyle

Well I'll try
I guess I'll never be affected like a big shot
I'll never get the money that they got
And I'll be smiling much longer
And I'll try to see the one last theory on starlust
I'll dine on water and pie crust
I'll make some sense if it kills me
And I'll be smiling on V-Day

Gift given time, victory is mine
Meant and worth, keeping still, keeping strong
Covered past, sowing rage, deaden pain
Give a shit, zero one, breakdown, flatline

Well I'll try
I'll guess I'll never be affected like a big shot
I'll never get the money that they got
And I'll be smiling much longer
And I'll try to see the one last theory on starlust
I'll dine on water and pie crust
I'll make some sense if it kills me
And I'll be smiling on V-day
And I'll be smiling on V-day
And I'll be smiling on V-day
And I'll be smiling on V-day
And I'll be smiling on V-day
And I'll be smiling on...
