

Will Hoge, (Pretty Sure) I'm Over You

i don't feel the same as i did when you walked out my door
and i don't see things the same as i did from down there on your floor
so you can take back all of those things that you told me were true because i'm pretty sure that i'm

take back that photograph with your pretty little red dress on
i don't need the memories that keep me walking the floor until dawn
but don't you worry because my lonely night will soon be through
because i'm pretty sure that i'm over you
oh yes i'm pretty sure that i'm over you

(bridge)

and i just don't feel the same as i did before
this time around i won't let you back in my door
so you can take back all of those things that you told me were true
because i'm pretty sure i'm over
oh yes i'm pretty sure i'm over
i'm pretty sure that i'm over you
i'm over you
