

# Will Linley, Last Call

Late nights I'm not going home  
Found my friends but I lost my phone  
In the smoke  
Living is hard sometimes  
So I gotta clear my mind  
That's my favorite kind of night

Now at a bar  
Met this girl  
Through a friend of a friend  
We started dancing to ABBA  
Now I can't pretend  
To play it cool  
Might be a fool  
But I don't want it to end  
No, no I don't want it to end

Oh it's last call  
Baby I don't wanna go home  
They turn the lights on  
You pull in and give me one more  
I got the feeling of you kissing me  
Stuck in my head  
I'd let you break my heart  
If I can see you  
Can I see you again?

She looked at me and then she said  
"I've called a cab it's on the way  
Oh I,  
I'm glad we had just one night  
Wish it would turn into five  
But I'd die happy tonight"

Oh it's last call  
Baby I don't wanna go home  
They turn the lights on  
You pull in and give me one more  
I got the feeling of you kissing me  
Stuck in my head  
I'd let you break my heart  
If I can see you  
Can I see you again?

Can I see you again?  
Oh can I see you again?

At a bar  
Met this girl  
Through a friend of a friend  
We started dancing to ABBA  
Can't play it cool  
Such a fool  
But I don't want it to end

I got the feeling of you kissing me  
Stuck in my head
