

# Will Young, Out Of My Mind

All you have to do is think about it (x4)  
Baby...you drive me crazy all the time  
When you play me  
I'm burning with the lies that you feed me  
Chasing my despair  
I can see you smiling till I'm over the edge

Do yourself a favour  
Realise you win every game  
Cos it's plain to see that I'm a mouse of a man

Chorus  
Yeah get me out of my mind  
I don't feel so good  
Breaking down the walls  
While I'm falling apart  
Get me out of my mind  
I don't feel so good

Try to understand

Lately  
You reply with your lies that I'm failing  
You leave me high and dry  
Over over over  
You trip me around

I tell you baby  
Do yourself a favour  
Realise you win every game  
Cos it's plain to see that I'm a mouse of a man  
Yeah you made a mouse of a man

Repeat Chorus

Try to understand that I'm losing my heart

Repeat Chorus

Try to think about it  
Let's think about it

All you ever do is think about it (x2)

Breaking it to you (x6)

Cos you've got to  
Get me out of my mind  
Breaking down the walls  
I'm falling apart  
Get me out of my mind  
Try to understand that I'm losing my heart

Try to understand  
Think about it
