

Will Young, We Are In Love

We Are In Love
And you are
Yes you are

You know I cannot lie
If I say to you baby I love you then baby I love you
Oh and I do
Yes I do

I do
Could it be that's a phrase you thought never would phase you
Well baby, yeah, you'd better hold on tight
Cos I'm
The one who's supposed to kneel down and propose
Well alright, mmmm, I might, I might

So when I kiss you goodnight
Just sleep tight with the thought that you'll always be caught up in love with me
And you are, yes you are

Yeah, so when I kiss you goodnight
Just sleep tight with the thought that you'll always be caught up in love with me
And you'll dream that the stars up above have the answer of whether we'll be
Or whether we won't be, in love
Well we are, yes we are
Yes we are, yes we are, yes we are
