

Will Young, Your Love Is King

Your love is king
Crown you in my heart
Your love is king
Never need to part
Your kisses ring
Round and round and round my head
Touching the very part of me
It's making my soul sing
Tearing the very heart of me
I'm crying out for more

Your love is king
Crown you in my heart
Your love is king
You're the ruler of my heart
Your kisses ring
Round and round and round my head
Touching the very part of me
It's making my soul sing
I'm crying out for more
Your love is king

I'm coming up
I'm coming, please
You're making me dance
Inside

Your love is king
Crown you in my heart
Your love is king
You never need to part
Your kisses ring
Round and round and round my head
Touching the very part of me
It's making my soul sing
It's tearing the very heart of me
Crying out for more

Yes, I,
I'm crying out for more
This love is real
Touching the very part of me
It's making my soul sing
I'm crying out for more
Your love is king

This is no, blind faith
This is no, sad and sorry dream
This is no, blind faith
Your love
Cause your love
Your love
Your love is real
Yes it is
You never, never need to part
Never let me go
I'm coming on strong
I'm coming on strong
Cause your love, our love
Cause your love is real
I'm telling you now
Your love is real
Your love is real
Your love is real

Your love is real, real, real
Your making me smile
