

# Willie Nelson, Blue Skies

I bless the day I found you  
I want to stay around you  
And so I beg you, let it be me  
Dont take this heaven from one  
If you must cling to someone  
Now and forever, let it be me  
Each time we meet love  
I find complete love  
Without your sweet love what would life be  
So never leave me lonely  
Tell me you love me only  
And that youll always let it be me  
Each time we meet love  
I find complete love  
Without your sweet love what would life be  
So never leave me lonely  
Tell me you love me only  
And that youll always---let--itbe--me
