Willie Nelson, Both Sides Now

Bows and flows of angel hair lce cream castles in the air And feathered canyons everywhere I'd look at clouds that way

Now they only block the sun They rain and snow on everyone So many things I could have done The clouds got in my way

I've looked at clouds from both sides now From up and down and still somehow It's cloud's illusions I recall I really don't know cloud at all

Moons and Junes and Ferris Wheels Dizzy dancing way you feel As every fairy tale complete I'd look at love that way

But now it's just another show You leave 'em laughin' when you go And if you care don't let them know Don't give yourself away

I've looked at love from both sides now From up and down and still somehow It's love's illusions I recall I really don't know love at all
