

# Willie Nelson, Fire And Rain

Just yesterday morning they let me know you were gone  
Susan and the plans they made put an end to you  
Walked out this mornin' and I wrote down this song  
I just can't remember who to send it to  
Oh I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought I'd see you again

You gotta look down upon me Jesus you gotta help me make a stand  
You just gotta see me through another day  
My body is aching and my time is at hand I won't make it any other way  
Oh I've seen fire...

I've been working my mind through an easy time my back turned towards the sun  
Lord knows when the cold wind blows it'll turn your head around  
And there's hours of time on the telephone lines to talk about the things to come  
Sweet dreams and flying machines and pieces on the ground  
Oh I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought I'd see you baby one more time again  
I always thought I'd see you baby one more time again
