

Willie Nelson, Heenie Jeebie Blues

Well I'm standin' on the Broadway lookin' down the Main
Lookin' at that girl I'll never see again
I'm checkin' out I'm checkin' out
I gotta get on the move I've got that heenie jeebie blues
(guitar - fiddle - harmonica)
Sometimes I wishy washy I just can't hang around
I've got another baby waitin' in another town
I'm checkin' out...
Maybe that someday right now I just can't say
Something you got foolin' me down the other way
I'm checkin' out...
I gotta get on the move I've got that heenie jeebie blues
