Willie Nelson, I Love The Life I Live

I LOVE THE LIFE I LIVE

written by Willie Dixon

I see you watchin' me just like a hawk I don't mind the way you talk But if you touch me something's got to give I live the life I love and I love the life I live

My diamond ring and my money too Tomorrow night they could belong to you The girl move me at their will I live the life I love and I love the life I live

I may lay a hundred on a bet this time Tomorrow night can't cover your dime Next week I could be over the hill I'm just tryin' to tell you people how I feel

You see me rockin' as I pass you by Don't talk about me cause I could be high Just forgive me if you will I live the life I love and I love the life I live

Well, I may lay a hundred on a bet this time Tomorrow night can't cover your dime Next week I could be over the hill I'm just tryin' to tell you people how I feel

You see me rockin' as I pass you by Don't talk about me cause I could be high Just forgive me if you will I live the life I love and I love the life I live
