

# Willie Nelson, In God's Eyes

Never think evil thoughts of anyone  
It's just as wrong to think as to say  
For a thought is but a word that's unspoken  
In God's eyes He sees it this way  
Lend a hand if you can to a stranger  
Never worry if he can't repay  
For in time you'll be repaid ten times over  
In God's eyes He sees it this way  
In God's eyes we're like sheep in a meadow  
Now and then a lamb goes astray  
But open arms should await it's returning  
In God's eyes He sees it this way

( guitar )

In God's eyes we're like sheep in a meadow  
Now and then a lamb goes astray  
But open arms should await it's returning  
In God's eyes He sees it this way
