

Willie Nelson, It's My Lazy Day

Well I might have gone fishin' I got to thinkin' it over
The road to the river is a mighty long way
Well it must be the reason ano rhyme or no reason
I'm takin' it easy it's my lazy day

I never mind callin' cause I ain't comin'
Just get you on by me and stay out of my way stay out of my way
A little bit thinkin' drives me to drinkin'
Hey I'm a takin' it easy it's my lazy day
(piano - guitar)
Well I might have gone fishin'...
