

Willie Nelson, Jimmy's Road

This is Jimmy's road where Jimmy liked to play
This is Jimmy's grass where Jimmy liked to lay around

This is Jimmy's tree where Jimmy liked to climb
But Jimmy went to war and something changed his mind

This is the battle ground where Jimmy learned to kill
Now Jimmy has a trade and Jimmy knows it well too well

This is Jimmy's grave where Jimmy's body lies
When a soldier falls Jimmy's body dies and dies

Well this is Jimmy's road where Jimmy likes to play
This is Jimmy's grass where Jimmy likes to lay around
