

# Willie Nelson, One Has My Name (The Other Has

One has my name and the other has my heart  
With one I'll remain  
That's when my heartaches start  
One has brown eyes and the other's eyes're blue  
To one I am tied  
To the other I am true  
One has my love and the other only me  
But what good is love  
To a heart that can't be free  
So I'll go on living  
My life's just the same  
While one has my heart and the other has my name

( steel - guitar )

One has my love and the other only me  
But what good is love  
To a heart that can't be free  
So I'll go on living  
My life's just the same  
While one has my heart and the other has my name
