## Willie Nelson, Stardust

Sometimes I wonder why I spend The lonely night dreaming of a song The melody haunts my reverie And I am once again with you When our love was new And each kiss an inspiration But that was long ago And now my consolation Is in the stardust of a song

Beside a garden wall
When stars are bright
You are in my arms
The nightingale tells his fairy tale
Of paradise where roses bloom
Though I dream in vain
In my heart there always will remain
My stardust melody
The memory of love's refrain

Though I dream in vain In my heart there always will remain My stardust melody The memory of love's refrain

(Repeat)
