

# Willie Nelson, Stay All Night (Stay A Little Longer)

Can't go home if you're goin' by the mill  
Cause the bridge's washed out  
At the bottom of the hill  
Big Creek's up Little Creek's level  
Plow my corn with a double shovel  
Stay all night stay a little longer  
Dance all night dance a little longer  
Pull off your coat throw it in the corner  
Don't see why you can't stay a little longer

Sittin' in the window singin' to my love  
Slop bucket fell from the window up above  
Mule and the grasshopper eatin' ice cream  
Mule got sick so they laid him on the green  
Stay all night stay a little longer  
Dance all night dance a little longer  
Pull off your coat throw it in the corner  
Don't see why you can't stay a little longer

( guitar )

Well you ought to see my Blue Eyed Sally  
She lives away down on Shinbone Alley  
Number on the gate the number on the door  
The next house over is the grocery store  
Stay all night stay a little longer  
Dance all night dance a little longer  
Pull off your coat throw it in the corner  
Don't see why you can't stay a little longer

( guitar )

Stay all night stay a little longer  
Dance all night dance a little longer  
Pull off your coat throw it in the corner  
Don't see why you can't stay a little longer  
Don't see why you can't stay a little longer
