

Willie Nelson, The Party's Over

Turn out the lights
The party's over
They say that
All good things must end
Call it tonight
The party's over
And tomorrow starts
The same old thing again

But the crazy crazy party
Never seen so many people
Laughing dancing
Look at you you're having fun
But look at me
I'm almost cryin'
That don't keep her love from dyin'
Misery cause for me the party's over
Turn out the lights...

Once I had a love undyin'
I didn't keep it but I tried
Life for me was just one party
And then another
I broke her heart so many times
I had to have my parting wife
I had to have my party
Why broke her heart so many times
But one day she said
Sweetheart the party's over
Turn out the lights...
