## Willie Nelson, The Party's Over

Turn out the lights The party's over They say that All good things must end Call it tonight The party's over And tomorrow starts The same old thing again

But the crazy crazy party Never seen so many people Laughing dancing Look at you you're having fun But look at me I'm almost cryin' That don't keep her love from dyin' Misery cause for me the party's over Turn out the lights...

Once I had a love undyin' I didn't keep it but I tried Life for me was just one party And then another I broke her heart so many times I had to have my parting wife I had to have my party Why broke her heart so many times But one day she said Sweetheart the party's over Turn out the lights...
