

Willie Nelson, Three Days

Three days I dread to see arrive
Three days I hate to be alive
Three days filled with tears and sorrow
Yesterday today and tomorrow

There are three days I know that I'll be blue
Three days that I'll always dream of you
And it does no good to wish these days would end
Cause the same three days start over again

Three days that I dread be alive
Three days that I hate to see arrive
Three days filled with tears and sorrow Yesterday today and tomorrow

(guitar)

There are three days...
Three days that I dread to see arrive...
Three days three days
