

# Willie Nelson, Twilight Time

Heavenly shades of night are falling it's twilight time  
Out of the mist your voice is calling it's twilight time  
When purple colored curtain mark the end of day  
Hear you my dear at twilight time  
Deepening shadows gather splendour as day is done  
Fingers of night will soon surrender the setting sun  
I count the moments darling till you're here with me  
Together at last at twilight time  
Here in the afterglow of day we keep your rendezvous beneath the blue  
Here in the sweet and same old day fall in love again as I did then  
Deep in the dark your kiss will thrill me like days of old  
Lighting the spark of love that fills me with dreams untold  
Each day I pray for evening just to be with you together at last at twilight time  
( guitar )  
Deep in the dark...  
Together at last at twilight time
