Willie Nelson, What Now My Love

What now, my love Now that you've left me How can I live Through another day Watching my dreams Turn into ashes And my hopes Into bits of clay

Once I could see Once I could feel Now I am numb I've become unreal I walk the night Oh without a goal Stripped of my heart And my soul

What now, my love Now that it's over I feel the world Closing in on me Here come the stars Tumbling around me And there's the sky Where the sea should be

What now, my love Now that you're gone I'd be a fool To go on and on No one would care No one would cry If I should live If I should die

What now, my love Now there is nothing Only my last goodbye Only my last... My last goodbye
