

Willie Nelson, Wind Beneath My Wings

It must have been cold there in my shadow to never have sunlight on your face
You've been content to let me shine you always walked a step behind
I was the one with all the glory while you were the one with all the strength
Only a face without a name I never once heard you complain
Did you ever know that you're my hero and everything I'd like to be
I can fly higher than an eagle but you are the wind beneath my wings

It might have appeared to go unnoticed I've got it all here in my heart
I want you to know I know the truth I would be nothing without you I miss everything about you
Did you ever know...
You are the wind beneath my wings
