

Willie Nelson, Winter Wonderland

Sleigh bells ring are you listening in the lane snow is glistening
A beautiful sight we're happy tonight walking in the winter wonderland
Gone away is the bluebird here to stay is a newbird
He sings a love song as we go alone walking in the winter wonderland
In the meadow we can build the snowman then pretend that he is Parson Brown
He'll say are you merry we'll say no man but you can do the job when you're in town
Later on we'll conspire as we dream by the fire
The face on the frame the plans that we made walking in the winter wonderland
(guitar)
In the meadow we can build the snowman...
The face on the frame the plans that we made walking in the winter wonderland
Walking in the winter wonderland walking in the winter wonderland
