## Willie Nelson, You Wouldn't Cross The Street To

Today I stood across the street and watched you leave with him Right before my disbelieving eyes
And when you saw me standing there you turned away
And you wouldn't even cross the street to say goodbye
Once you said you'd do most anything to keep our love
You'd tear out your tongue before you'd tell me lies
Once you said you'd go to anything to be with me
Today you wouldn't even cross the street to say goodbye
(guitar)
Once you said you'd do most anything to keep our love
You'd tear out your tongue before you'd tell me lies
Once you said you'd crawl on hands and knees to be with me
Today you wouldn't cross the street to say goodbye
Today you wouldn't cross the street to say goodbye
