Wilson Pickett, Don't Let The Green Grass Fool Y

Girl, try to remember When we didn't have no shoes We stuck together, just me and you It took a long time, to get what we got today Now ya wanna give it all up for another guy

Baby, I'm tellin' ya Don't let the green grass fool ya Don't let it change your mind

It's gonna be hard for me, baby Build my life all over Because baby, you got the love That I really need, really

'Cause if you leave Leave me this way, baby You know what? I may not live to see a brand new day

Oh baby Don't let the green grass fool ya Don't let it change your mind

You know why? It may be greener on the other side, baby But right in my arms is where you belong

(short instrumental)

Umm, mmm Ooo-ooo, baby Ooh-oh

Don't let the green grass fool ya Don't let it change your mind, oh baby It may be greener on the other side, baby But ooh, right in my arms is where you belong, baby Gotta feel it

Don't let the green grass fool ya, baby (Don't let it change your mind) Aaahhh-hey (greener on the other side) Don't, don't let it fool ya Baby, in my arms is where you belong, yeah.

~
