

# Winans Phase 2, Just For A Day

When I think of all the things you've done for me  
It brings a smile to my face  
And so I close my eyes to suddenly see  
Memories of my sweetest days, sweetest days  
But I never said thank you, I never really tried  
And when I think about it I just wanna cry  
There are so many things that I wanna say  
I would do anything to see you

Chorus

Just for a dayshoop  
Just for a dayshoop

I know I love you, I tell myself  
I just didn't know how to say it  
But I wonder if you hear me, when I pray at night  
Sometimes I forget that you're by my side  
Did you know that you were the reason I live my life  
Lord, I would do anything to see you

Chorus

Just for a dayjust for a dayjust for a day
