

Winger, Hangin On

My love, try to understand me, I can't stop thinking about you
The howling down inside is crying out for your touch
The last time to walk away, last time if you think of saving yourself
Don't say all my love was in vain, don't say I'm the stranger again

It's just not fair that I can't see you anymore
I still want you, I still need you, I can't let go

Chorus:
I can't keep from hangin' on, I can't stop, no I'm not that strong
I can't keep from hangin' on, hangin' on

I know yesterday is over, but in here the flame is burning on
Burning a hole in my heart, where I still believe, I'm still hoping

You closed the door, again and again
I still want you, I still need you, I can't let go

chorus

(Solo)

Oh no, I can't let go

chorus repeats 2x - I can't let go

(You keep me hangin' on) (repeats out)
