

Wire, Perspex Icon

Is it Art or Artifice?

Can you save your prejudice?

Would you call it low or high?

Can you declare your interest?

An icon in perspex

Sustained exposure, increased risk

Perspective lost and concept shattered

Maintain your prerogative

Self-promotion, motor spinning

Palms are greased and egos flattered

Create the market

Can you find out where to park it?

Will you play your favourites?

The way lighten your pocket

An icon in perspex

Sustained exposure, increased risk

Perspective lost and concept shattered

Maintain your prerogative

Self-promotion, motor spinning

Palms are greased and egos flattered
