

Wishbone Ash, Queen Of Torture

Has anybody seen my baby kickin' around the town?
She's the queen of torture, yeah,
She, yeah, you know she put me down. (Repeat)
Has anybody seen my woman hangin' round the streets?
She ain't been home for oh, so long -
She walked right out on me. Yeah, yeah, yeah, yeah, yeah.
Has anybody seen my woman out around the city?
She ain't been home for two weeks now,
And ain't that such a pity, yeah. Yeah, yeah, yeah, yeah, yeah.
