

Wisin Y Yandel, Noche De Entierro

[Tony Tun Tun]

Ay, nuestro amor se acabo...

Por mi bscate otro hombre...

Otro que te vuelva loca...

Loca, loca, vete...

Ay, nuestro amor se acabo...

Por mi bscate otro hombre...

Otro que te vuelva loca...

Loca, loca, vete...

[Yandel]

Yo sigo vacilando

Las penas olvidando

Mucho ron bebiendo

Porque de mi mente

Yo te estoy sacando

Yo sigo vacilando

Las penas olvidando

Mucho ron bebiendo

Porque de mi mente

Yo te estoy sacando

Vstete de luto, Maria Lola

Y no p&#oacute;nganle vida lo que huele a muerto

Y aqu mando yo...

[Hctor 'El Father']

Maria Lola, vete, que yo soy perro 24/7

Rec&#oacute;gete y mete to'a las fotos en los motetes

Relax, suave, acariciame a Petete

Que esta noche nos fuimos algarete

Te quedaste sola...

Y ahora quin te va a guayar la cola?

T has corrido un marat&#oacute;n

Pero yo bote la bola...

Tranquila, que usted no tiene el pecho entola

Date una &#oacute; y te veo, Lola

[Zion]

Tanto fro, cambiaste chinas por botellas

Pero tranquilo porque yo no soy de los que celan

Me veras por all afinca'o con una mas buena

[Tony Tun Tun]

Ay, nuestro amor se acabo...

Por mi bscate otro hombre...

Otro que te vuelva loca...

Loca, loca, vete...

Ay, nuestro amor se acabo...

Por mi bscate otro hombre...

Otro que te vuelva loca...

Loca, loca, vete...

[Daddy Yankee]

Quin es? El que te pone a vibrar...

Quin es? El que te pone a pensar...

Quin es? Al que t quieres besar...

Quin es? The one and only, Daddy...

Ma', ya tu vez, todo termino

Fue una estupidez nuestra relaci&#oacute;n

Yo ya te olvide, no me llames, no

Uno se aburre de este novel&#oacute;n

Y qu pas&#oacute;? Ahora tengo un par de ladies...

Que me dicen &#oacute;Baby, montame en el Bentley&#oacute;...

Y qu pas&#oacute;? Y aunque tengas otro hombre...

Yo te apuesto que nunca olvidaras mi nombre...

Con &#oacute; rompo zona...

Y voy devorando to' las gatas que veo solas...

Me voy de party, llego a mi casa...

Ma', a cualquier hora...

Vive tu vida, que yo la ma...
No la cambio por na' ahora...
Quin es? El que te pone a vibrar...
Quin es? El que te pone a pensar...
Quin es? Al que t quieres besar...
Quin es? The boss, Daddy...

[Tony Tun Tun]

Ay, nuestro amor se acabo...
Por mi bscate otro hombre...
Otro que te vuelva loca...
Loca, loca, vete...

Ay, nuestro amor se acabo...
Por mi bscate otro hombre...
Otro que te vuelva loca...
Loca, loca, vete...

[Wisin]

(Oiga, sinceramente!)

La relaci&ocute;n se cancela, te di gabela
Sabiendo como soy me gritas y me celas
A esa avena no le tiro ms canela
Yo sigo en el party gastando la suela
Porque en la novela esta es la parte que tu vuelas
Y yo controlo la manivela...
Oye, t haces dieta, porque modelas?
Y yo sigo aqu comiendo arroz con habichuelas
Y ya llevo un ao sin ella en el puro janguero
Ya yo no la veo, solo ron y bureo
Y si es cuesti&ocute;n de perreo, perreo dale un paseo
Hoy es noche de entierro, chula, siente mi deseo

English:

BURIAL NIGHT

(Chorus: Tonny Tun Tun)

Oh our love has ended
For me [I don't care] find another man
Another that will drive you crazy.
Crazy, crazy [girl], go away
Oh our love has ended
For me [I don't care] find another man
Another that will drive you crazy.
Crazy, crazy [girl], go away
(wisin)

Hit it Yandel!

(Verse 1- Yandel)

I keep enjoying
The sorrows forgetting
A lot of rum drinking
Because I am taking you out of my mind
I keep enjoying
The sorrows forgetting
A lot of rum drinking
Because I am taking you out of my mind
Maria Lola [female name] get dressed for the wake
And put life to that which smells like death
I am the boss here.

(Wisin)

'cause I am a dog 24/7
Pack-up and put the pictures in the luggage
Relax, wow
Go and caress "petete" [comic strip character]
'cause tonight we're going all the way.
You're left all alone
And now I send you down to the back

I ran a marathon but I threw away the [ball]
Quiet girl
'cause you don't have tola's chest
Give me a ride, I'll see you [Lola]

Los Benjamins present, Daddy, The big boss
(Verso 3- Daddy Yankee)
Who is the one that makes you tremble
Who is the one that makes you think
Who is the ones that you want to kiss
Who is?
The one and only, Daddy
[girl] now you see
Everything has ended
Our relationship was a stupidity
I forgot about you, don't call me no
Not to worry, I forgive
And what happened?
Now I have a pair of ladies
That call me baby
Get me together and don't peek
And what happened?
Even though you have another man
I bet you'll never forget my name
Take it easy, don't make fronts
I go devouring all the kitties that look all alone
I go to a party and get home at any time
Live your life 'cause I won't change mine for nothing
Now
Who is the one that makes you tremble
Who is the one that makes you think
Who is the ones that you want to kiss
Who is?
(Chorus: Tonny Tun Tun)
Oh our love has ended
For me [I don't care] find another man
Another that will drive you crazy.
Crazy, crazy [girl], go away
Oh our love has ended
For me [I don't care] find another man
Another that will drive you crazy.
Crazy, crazy [girl], go away
(wisin)
Listen really
(Verse 4- Wisin)
The relationship is cancelled, I gave you a race
Knowing how I am you yell at me and get jealous (aha)
To that oatmeal I won't put anymore cinnamon
I stay at the party, wasting my [shoe] soles
'cause in this soapopera, this is the part when you leave

And I control the steering wheel
Listen you do diets, 'cause you model
And I stay here eating rice and beans
It's been a year without her
Just hanging around
I don't even see her
Only rum and "party"
And if it's about "Perreo" [dance style]
"Perreo" give it a walk
Today is burial night
