

# Witchery, Ashes

There's no meaning with life as it is...  
There's no meaning, there's no meaning  
There's no such thing as a life after this,  
No such thing as an afterlife bliss  
Float into oblivion

Born - burn - die  
Ashes to ashes and dust to death  
Fade away - burn away

Ashes to ashes and dust to death  
Pass away - your soul astray

Your hollow words and self-righteous grin -  
You're the cancer of this world we're living in  
Puss and disease surround your every move...  
Your every word... your every word  
Dehumanize, manipulate, infiltrate, disintegrate

Ashes to ashes and dust to death  
Fade away - burn away  
Ashes to ashes and dust to death  
Pass away - your soul astray
