Within Temptation, All I Need

I'm dying to catch my breath Oh why don't I ever learn? I've lost all my trust, Though I've surely tried to turn it around

Can you still see the heart of me? All my agony fades away When you hold me in your embrace

Don't tear me down for all I need Make my heart a better place Give me something I can believe Don't tear me down You've opened the door now, don't let it close

I'm here on the edge again
I wish I could let it go
I know that I'm only one step away
From turning it around

Can you still see the heart of me? All my agony fades away When you hold me in your embrace

Don't tear me down for all I need Make my heart a better place Give me something I can believe

Don't tear it down, what's left of me Make my heart a better place

I tried many times but nothing was real Make it fade away, don't break me down I want to believe that this is for real Save me from my fear Don't tear me down

Don't tear me down for all I need Make my heart a better place Don't tear me down for all I need Make my heart a better place

Give me something I can believe Don't tear it down, what's left of me Make my heart a better place Make my heart a better place
