Within Temptation, Are you the one

Are you the one? The traveller in time who has come to heal my wounds to lead me to the sun To walk this path with me until the end of time

Are you the one? Who sparkles in the night like the fireflies Eternity of evening sky Facing the morning eye to eye

Are you the one? Who'd share this life with me Who'd dive into the sea with me Are you the one? Who's had enough of pain And doesn't wish to feel the shame, anymore Are you the one?

Are you the one? Who's love is like a flower that needs rain To wash away the feeling of pain Which sometimes can lead to the chain of fear

Are you the one? To walk with me in garden of stars The universe, the galaxies and Mars The supernova of our love is true

Are you the one? Who'd share this life with me Who'd dive into the sea with me Are you the one? Who's had enough of pain And doesn't wish to feel the shame, anymore Are you the one?
