

Within Temptation, Deep Within

Is there a place deep within
A place where you hide you're darkest sins

There's a strange kind of ambiance,
its surrounding you lure me,
towards the truth

Candles die down as you leave the room
In my heart you leave no gloom
As you lure me I know the truth
You're a leprechaun, I see you through.

Is there a place deep within
A place where you hide you're darkest sins

There's a strange kind of ambiance,
its surrounding you lure me,
towards the truth
