

Within Temptation, Gothic

She embraced
with an smile
held as she opened the door
cold with love
puts a chill
into our hearts
You have taken away the trust
your the ghoust
that intudes her heart
past and prestant
held long in her head
your the ghost that intrudes her
You have taken away the trust
your the ghost that intrudes her
past and prestnet
how long will she stand
your the ghost that intrudes hearts
Cry'n'cry'n'cry
why'n'why'n'why
lie'n'lie'n'lie
cry'n'why'n'lie
lie 'n'lie
why'n'cry
lie'n'lie
cry'n'cry
why why
la la lie
la la la lie
